A GREAT OCCASION.

The Retail Clerks' Festival To-Night Will Be Magnificent.

From all indications, those who fail to attend the Festival of the Retail Clerks Association at the Athenaeum to night will miss one of the most delightful occasions that have been offered in Columbia for some time. The clerks have entered into the matter with that same spirit of enterprise and push that characterizes all their undertakings, and extensive arrangements have been perfected for the accommodation and entertainment of their friends, and all who may attend.

A fine string band has been secured, which will dispense concords of sweet sounds. The lawn will be beautifully lighted with lanterns, and hammocks, swings, lawn chairs and settees have been provided for the comfort of the guests. To insure everybody's comfort several hundred chairs have been secured and every one is insured a seat. Both individual and party tables have been provided. No admission fee will be charged to the grounds. Both ice cream and sherbet will be served, and you can get your choice, with plenty of delicious cakes, for 15 cents for one saucer, or 25 cents for two.

It will be an event whose pleasures will linger a long time. Everyone who attends is guaranteed ten bushels of fun. And, it will be a recreation and rest, also. Take your sweetheart and go! "Swing her in the grape vine swing," or wander with her "In the shadow of the pines" and tell her the old, old story, ever new,—that you're a "longin' in your heart for her," and midst the strains of music, and the music of revelry, you'll think you are exploring the Elysian fields and sipping at the fountain of supreme bliss.

The Retail Clerks are the hosts, and will make everybody's visit pleasant on this occasion.

THE TRIP TO BUFFALO.

Tennessee Editors "Living Easy" on Their Outing.

Entertained Royally in the "Queen City" En Route. Arrive at Buffalo And are Now Seeing the Sights.

[From a Staff Correspondent.]

Buffalo, N. Y., Aug. 25.—I presume it would be in order to begin this epistle by saying, "They put us off at Buffalo," but, fearing that some one may accuse me of getting off a chestnut, I will say, "We have come to town."

We—i. e., the members of the Tennessee Press Association—reached Buffalo this afternoon at 5:30 o'clock, after a rather tiresome but altogether pleasant trip.

Our stay in Cincinnati will be remembered as one of the most delightful features of the trip. We were entertained while there by the officers of the Fall Festival Association, the Business Men's Club and the paper and type dealers. A special committee from these organizations met us at the depot, carried us to the various points of interest in the Queen City, and entertained us royally. After a substantial breakfast at the Hotel Sterling, special cars conveyed us to the plant of the American Type Founders' Company, where we witnessed the process of type manufacture and were shown the various details connected with the carrying on of an up-to-date type foundry. Here each member was presented with souvenirs in the shape of boxes of candy, flowers and cigars, the latter, of course, being for the male members of the party.

From there we went to the handsome apartments of the Business Men's Club, where we rested for an hour or more, and were served an elegant luncheon.

In the afternoon four special cars were placed at the disposal of the Association, and we were given a trip through the city and suburbs, including a visit to the summit of Mt. Adams, which is reached by a steep incline. Here is located the famous Rockwood Pottery, and a fine view of the city is afforded.

Our trip ended with a visit to the zoological gardens, where several happy hours were spent in resting in the pavilions or beneath the shade of the trees, viewing the various sights of interest and listening to the music furnished by Brooke's band of Chicago. "Dixie" was played for our special benefit, and when the stirring notes of this grand old Southern air were struck, a "Rebel yell" rent the air, which doubtless made the inhabitants of the zoo tremble in their dens. Supper over, we were conveyed to the depot, where we took the cars for Buffalo, via the Erie railroad.

Sunday morning at 10:30 o'clock we arrived at Cambridge Springs, Pa., about four hours behind time, our train having been delayed on the road on account of a crippled engine and a wreck ahead of us. We were a hungry lot, indeed, but our appetites were fully appeased with an elegant complimentary breakfast at the Hotel Rider, one of the handsomest hotel buildings in the United States. Mr. Rider, the proprietor, extended us every courtesy possible, showing us over the grounds and making us feel that we were welcome.

Our journey was resumed at 12:30, and we arrived here this afternoon, ready for a good night's rest, preparatory to "taking in" the town to-morrow.

The special vestibuled train which conveyed us here was under the personal supervision of Col. Gates, of the L. & N., and Mr. Holabird, of the Erie road.

Everything has passed off pleasantly so far, but fears are entertained for Col. William Jennings Slater, the gentleman from Winchester, when he sees the lake for the first time. The gentleman has a natural horror for water, and it is feared that he will sustain a terrible shock when he sees such a large quantity of nature's beverage at one time.

COUNTY CANDIDATES.

Announcements for Sheriff, Circuit Court Clerk and Register.

In this issue of the Herald will be found three announcements. Mr. John Latta, the present City Marshal of Columbia, for Sheriff; Mr. Watts F. Embry, the present Circuit Court Clerk, for reelection; and Mr. John G. Latta, the present Register, for reelection.

We would not prejudice these elections this early, or seek to close the list to other entries; but we will say this: that if all the officers elected next August are the equal of these, it will be a great day for Maury County.

Mr. Latta is particularly well qualified for the office of Sheriff. His training and experience in handling law-breakers and attending to court duties would be of great value to the people if they elect him. He is conscientious, impartial and fearless. The man who will not admit that much, is too prejudiced to admit the truth. He may or may not be elected. But one thing is certain—if he is elected he will make as good a Sheriff as the county ever had.

The same may be said of Mr. W. F. Embry for the office he seeks. A man never gave more general satisfaction in public office than Mr. Embry has as Circuit Court Clerk. He is so thoroughly competent, so uniformly polite and obliging, that everybody accords him praise.

And in the Register's office Mr. John G. Latta is always ready, always willing, competent and obliging. He has held the office one term, and is asking the people for their endorsement.

They are a good trio. If there are better ones, let them step forward.

DR. J. C. ROBERTS, JR., Louisville, Mo.—I can truly say that your TETHINA is the greatest blessing to teaching children that the world has ever known. I have used it two years, and do not like to be without a box all the time. My baby would hardly live through his second summer if I had not used your powder. He is now strong and well, and has all his teeth. I never allow an opportunity to pass without recommending TETHINA to mothers. May God reward you for the good you have done teaching babies through this remedy. Respectfully, Mrs. A. G. Russell.

MR. JOHN LATTA

Addresses a Card to the Voters of Maury County.

To the voters of Maury County:

For a good many years as policeman and city marshal, I have served the city of Columbia. During these fifteen or twenty years I have made a record as a public official; and by that record—whether I will or no—I must be judged.

The people of Maury County know me by my record; and whatever partial friends or personal enemies may say of me, the great body of the people I know will fairly judge whether my record stands for the impartial enforcement of the law and the active and conscientious discharge of my oath and duties under the law, or whether I have been lacking in the performance of my duties and partial in my official acts.

And to a fair and impartial verdict of the people I will now submit my claims to a higher, more important and more lucrative office than I have heretofore held; that is, the office of SHERIFF OF MAURY COUNTY.

Quite a number of my friends from the country have from time to time these last few months voluntarily pledged me their active support and suggested the propriety of an early announcement. Encouraged by their suggestions I have taken the matter up and discussed it with representative men from all parts of the county; and I am glad and proud to say that their response has been more hearty and encouraging than I had even dared to hope.

I have determined, therefore, under their advice, to make the race, and though the election is a year off yet, to make my announcement now.

I sincerely trust that you will discuss me and my claims with your neighbors and friends and if you think I have been "faithful in small things," then help me by your influence and vote to this promotion.

My duties as city marshal of this city are such that it will be next winter or spring before I can commence an active canvass in the country, but in the meantime I hope to see and talk with very many of you in Columbia.

If you favor me with your votes and influence and give me the office, I promise you that I will faithfully perform the duties of the same, and enforce the law to the best of my ability against the rich and poor, high and low, white and black, without fear, favor or affection.

Very truly yours,

JOHN LATTA.

One of the most pleasing events the J. A. O. Circle has enjoyed in quite a while was the reception given by Misses Sola and Lizzie Daimwood to the members of the Circle Tuesday evening at their pretty home five miles from Columbia on the Fear-Creek pike. The young people met with Misses Mary Sue and Sadie Aydelott at 8 o'clock and enjoyed a hay ride to the home of the Misses Daimwood, where they arrived at 9 o'clock. Here they revelled in music and games until a late hour. Melons and fruits and cream and cake were served during the evening. Kirk Loftin and Richard Caldwell were guests of the Misses Daimwood at the entertainment. The Circle's next meeting will be with Mr. Hugh Blair.

Thompson's Station, Aug. 26.—Friday evening August 23rd, from 8 to 11 o'clock, Maple Shade, the home of Mr. and Mrs. Tom Jones was the scene of much pleasure and amusement given in honor of Miss Effie Gene Haul, of Memphis. One of the features of the evening was a cake walk by little Dorothy Holland, of Memphis, and some very sweet music by Misses Julia and Mack Critz and also Mrs. Jones and Miss Bell assisted by Mr. Frank Buford.

Mrs. Jones was assisted in receiving by Mrs. Harland, of Memphis. After delightful refreshments were served the guests departed, each avowing that they had seldom spent such an enjoyable evening, and wishing the clever host and his charming wife many happy returns of the evening's pleasures.

In the absence of Mr. and Mrs. S. E. Callender, who are at Buffalo, Mr. and Mrs. Wherry entertained Friday evening in honor of Miss Wherry, of Henderson, Tenn. Mack Missionary Society.

The Mack Missionary Society met in the session room, Tuesday Aug. 27. An increased attendance cheered the hearts of the few who had met during the sultry days. Greece and Pape Europe was studied.

We would follow in the footsteps of our sisters of the Woodland St. Presbyterian church, Nashville, who have entered into a covenant to observe daily prayer. Whatever her engagements may be, to turn aside at the noon hour to spend a few moments of private importunate prayer. How deeply impressive, meeting at a throne of grace unitedly, at the same hour, all over the land. We have reason to believe the windows of Heaven will be opened, and that God will pour out a blessing, as there should not be room enough to receive it.
